**Market Review:** During the month of January, KSE-100 index (the benchmark) remained range bound and posted a negative return of 0.76%. The Market remained under influence of mix news. Approval of USD 700mn by IMF Executive after completion of 1<sup>st</sup> review, rollover of USD 2bn from UAE, clearance of PKR 1,250bn Circular debt from energy sector by GOP led the market in positive zone. On the other hand tension at the border with Iran, Politically uncertainty and status quo in January 2024 monetary policy dampened investor's confidence.

During the month Auto Assemblers, Commercial Banks, Fertilizers, Insurance, Oil & Gas Exploration Companies, Sugar & Allied Industries, Transport sectors outperformed the market. On flip-side Auto Parts & Accessories, Cable & Electrical Goods, Cements, Chemicals, Food & Personal Care, Glass & Ceramics, Leather & Tanneries, Miscellaneous, Oil & Gas Marketing Companies underperformed the market. Foreign investors remained net seller with an outflow of US\$ 37.90 million during the month under review, compared to an inflow of US\$ 26.72 million in the previous month.

**Investment Objective:** The objective of First Capital Mutual Fund is to augment wealth of investors through investments geared towards securing maximum returns while simultaneously offsetting resultant risks through efficient diversification across sectors with low correlation amongst them. The management of the fund is continuously striving towards achieving its objective.
